

## *Acknowledgement*

It is not enough to say "Thank You"  
For the deeds you have done for us  
Many times putting aside your own desires  
Considering our needs first.

It is not enough to say "Thank You"  
For all the trips you have made  
For prayers, phone calls and flowers  
And the gifts you willingly gave.

It is not enough to say "Thank You"  
To friends so generous as you  
But we will add to our many "Thank You's"  
[God's Blessings in all that you do]
