Friends and Family

Family and friends, don't weep and please don't mourn.  
I know you will miss me now that I am gone.  
The suffering and the pain, it's over too;  
And everything around me seems brand new.  
Family and friends, don't weep and please don't worry.  
I'm at my new home up here in Glory;  
Up here I can walk and call Jesus' name.  
I have a new happiness and the beauty can't be explained.  
So family and friends, don't weep and please don't mourn.  
I really am happy at my new home.

### Appreciation

To our friends and family for showing that you care;  
For the sorrows you shared; for the visits you made,  
And for all the words of kindness you said,  
We thank you.

God bless each of you.
